Kelly Borgia | Development Coordinator

Kelly joined Gulf Coast Community Foundation in the summer of 2018 after having worked for 10 years at Asolo Repertory Theatre as their Production Stage Manager. As a member of our Development team she works closely with our Philanthropic Advisors and our incredible donors to help their philanthropic dollars have the biggest impact possible. She is also responsible for the processing and execution of all of Gulf Coast's sponsorship grants. Kelly is most fulfilled when she is working to better our community in an efficient, effective, and collaborative work space. Kelly holds a Bachelor of Fine Arts in Stage Management from the University of Central Florida. She enjoys cooking, bike rides, the Florida sunshine, and—most of all—spending time with family.
