

# GULF COAST COMMUNITY FOUNDATION

**Mandi Arthur**  
**Senior Staff Accountant**

Mandi Arthur works closely with the Chief Financial Officer to ensure the integrity of Gulf Coast's accounting information. She is responsible for all accounting activities, including managing the general ledger, preparing financial reports, and performing monthly account analysis and reconciliations. Mandi feels a sense of accomplishment in providing the foundation's donors, Board, nonprofit partners, and her colleagues the financial tools necessary to make informed decisions while helping the community. Prior to joining Gulf Coast in 2012, Mandi lived in Orlando and worked in the banking industry and with small businesses as an office manager and full-charge bookkeeper. She is passionate about music and received a bachelor's degree in vocal performance from Stetson University. You will often hear her singing in the office, where she is the designated "happy birthday" conductor. As a native Floridian, Mandi enjoys being outdoors and spending time with her husband and two young children, especially at the beach.
